

Sample Organization Prep Sheet

Most of the organizations that your students find and contact are not used to speaking to a group of young donors! This makes your role as facilitator particularly important. It's helpful to prepare background on your students and the program to help explain to each organization what a unique opportunity it is to speak with your students.

About us

School Name: _____ Grades Served: _____

Grade/Age of Student Leaders: _____ # of Student Leaders: _____

About the student leaders (i.e. How were they selected? What do they do? When do they meet):

How Student Leaders found your organization:

Why we are interested in what you do/your work:

Topics we'd like you to cover:

Special considerations (e.g. do any students have a personal connection to the issue?):
